THE HARBOR SPRINGS AREA HISTORICAL SOCIETY    DECEMBER 2005    NEWSLETTER VOLUME 16 No. 4

## REMEMBERING WINTER SPORTS

By Eleanor "Muggs" Jardine

My earliest memories of winter sports would be the winter of 1935. I remember going to the Winter Sports Park with my parents on a Sunday afternoon. The

park was located east of Ridge Road. Mr. J.E. Otis gave the land for the park to West Traverse Township with the stipulation that it was for the park use only.

There was a warming house, a ski jump, a toboggan run and a bobsled run. I remember going down the bobsled run with my dad and since I was only nine years old at the time, I got to stay on the sled while Mr. George Cook's team of horses pulled the sled back up to the top of the hill.

Of course, bobsledding was a favorite winter sport in those days. For several winters the

Bull Moose Hill was very popular for bobsledding. The sleds would be loaded at the top of the hill in front of the Harbor Point Golf Course – just up from George and Carol Menzi's driveway. Most sleds held 20 people. There were only a few men who were selected as drivers.

They had some kind of a light system hooked up so when the sled was unloaded, a green light would come on at the top of the hill. Usually a city truck would hook on the bobs and pull it back up to the starting point. One winter, the sled turned over and some people were injured.

That was about the end of the Bull Moose bobsledding.

I've been told that the north side of the East Hill was also iced. The bobs would start at the top of East Hill and end up at Holy Childhood Church! I also heard that they used to bobsled down

A bobsled coming down the "Bull Moose Hill" on the west side of Harbor Springs. This was a popular wintertime activity among the locals. Postcard photo from the Thomas F. Graham Jr. Collection

When the sleds were loaded, they would be shoved off to go down the iced hill. They would go to Church Street and the driver would yell, "Lean!" and everyone would lean to the right. At 3<sup>rd</sup> Street he would yell, "Lean!" and everyone would lean to the left. The sled would stop just before it reached the State Street intersection.

the North (Hoyt Street) Hill. We don't know if the sled stopped before it reached Main Street, or if they "leaned" and went on down the East Hill.

I feel lucky to be able to relate some of these adventures. We all loved playing outdoors in winter and we didn't miss any television shows and not too many radio programs.

## HELP PRESERVE HARBOR SPRINGS HISTORY

The "Harbor History Talks" have provided wonderful evenings to recall and reminisce about earlier life in Harbor Springs. We are doing our best to videotape our guest speakers, as well as record oral history interviews, and have a great need for a camcorder to preserve these special memories. HSAHS is looking for a donation of a camcorder and tripod, gently used would be just fine!

# PRESIDENT'S MESSAGE

I hope that most of you reading this newsletter were here for the wonderful fall weather we had this year. The "season of change" was really beautiful with warm days and spectacular color. HSAHS had its own season of change this fall. New trustees Leslie Fischer, Loretta Knight, Fred Simons and Nancy Walker joined the Board in September. Our Board now numbers 20 and we've outgrown the Library and changed our meetings to the high school library.

In October, new officers were elected. As the new President, I want to thank Lois Cassidy for the many years that she served as President. I also want to thank Norine McBride for serving as Treasurer during a time when our budget grew from \$5,000 in 2002 to \$118,000 in 2005! The roster of Trustees is listed on this page. Feel free to call one of us if you have a suggestion or idea.

As I write this letter, the first snowfall of the year blankets the area. While things have slowed down in Harbor Springs, rest assured that the historical society isn't going into hibernation. We're planning a new series of Harbor History talks, organizing the Valentine's Day tea and looking ahead to Shay Days July 14-16.

Also behind the scenes is the important work that is going into planning for the capital campaign for the new museum in the old City Hall next summer. Co-chairs Patsy Ketterer and Sarah Cohen and a great campaign committee are hard at work. By the time the seasons change again, we'll have more exciting plans to share.

When I joined the Board three years ago, I could not have envisioned it possible to accomplish all that we have in order to renovate the City Hall. We've been able to do so with wonderful community support. Many thanks!

*Tanya Graham,*

President
